

Four Things....

Every Employer Wants:

- **DEPENDABILITY**—Employers need you at work to get your work completed!!
- **SKILLS THAT CAN BE MOLDED**—They want you to have skills that can be molded to what they want!
- **TEAMWORK**—Not only do you need to be part of a team but you need to fit in with the team they already have!
- **WILLING TO LEARN**—They want you to be able to change or grow with them.
