### **Hiring Practices**

College hiring practices ensure the following minimum credentials for Iowa Central Community College full-time and adjunct instructors in Arts and Sciences and Applied Sciences/Career Education. Standards are to be general in nature (as to apply to more than one specific program of instruction). However, standards shall, at a minimum, require that full-time Iowa Central Community College instructors meet the following requirements:

- I. Applied Sciences/Career Education Instructors
  - A. Instructors shall possess knowledge and competencies in their subjects or discipline areas as documented by the attainment of the minimum hiring requirements specified in 260C.48 subsection 1, Iowa Code 2001.
  - B. Instructors shall be registered, certified, or licensed in the occupational area in which the state requires registration, certification, or licensure, and shall hold the appropriate registration, certificate, or license for the occupational area in which the instructor is teaching, and shall meet either of the following requirements:
    - Baccalaureate or Graduate degree in the area or related area of study or occupational area in which the instructor is teaching classes.

Or

Special Training and at least 6,000 hours of recent and relevant work experience in the occupational area or related occupational area in which the instructor teaches classes if the instructor possesses less than a baccalaureate degree.

Instructors may have additional specific requirements based upon external certification standards in particular programs.

## II. Arts and Sciences Instructors

- A. Instructors shall possess knowledge and competencies in their subjects or discipline areas as documented by the attainment of the minimum hiring requirements specified in 260C.48, subsection 1, Iowa Code 2001.
- B. Instructors shall meet either of the following qualifications:  
Instructors shall possess a masters degree from a regionally accredited graduate school and a minimum of twelve (12) graduate-level credit hours in each field of instruction in which the instructor is teaching classes.

Or

Instructors shall have two or more years of successful experience in a professional field or area in which the instructor is teaching classes and in which post baccalaureate recognition or professional licensure is necessary for practice, including, but not restricted to, engineering, law, law enforcement, and medicine.

## III. Developmental Education Instructors

These instructors may or may not meet minimum requirements, depending on: their teaching assignments and relevancy of standards to the courses they are teaching and the transferability of such courses. If teaching credit courses reported in Arts and Sciences or Career and Technical education, instructors are recommended to meet minimum standards noted in sub-rule 281—21.3(1) either (a) or (b), Iowa Code 2001.

## IV. Hiring Compliance

All hiring shall be in compliance with the faculty accreditation standards of the North Central Association of Colleges and Schools (NCA) and with faculty standards required under specific programs offered by Iowa Central Community College that are accredited by other accrediting agencies. The result of Iowa Department of Education on-site visits required in Iowa Code, subsection 260C.36(1)“h” and (3), requiring compliance with faculty accreditation standards of the higher learning commission of the NCA, shall be reported to Iowa Central Community College, with such information being used in accreditation visits starting in year 2006. Beginning July 1, 2006, the state accreditation process shall incorporate the standards developed pursuant to Iowa Code, section 260C.48, subsection 4.

At the discretion of the vice president of instruction, or appointed designee, a candidate who has not attained the minimum hiring requirements specified in 260C.48, subsection 1, Iowa Code 2001, and one or more of the above requirements in their area(s) of instruction, may be hired on provisional status for a maximum of three years from the date of hire. Those hired on provisional status must have attained the minimum hiring requirements within the time frame set by the vice president of instruction before the contract can be renewed.

Iowa law may require that an instructor be fingerprinted and submit to a background check. The Personnel Services office notifies faculty members who must meet this requirement.

Costs associated with fulfilling requirements of certification, education, or other accreditation, as outlined above, are the responsibility of the instructor.

#### V. Documentation

The College's Personnel Services office maintains documentation related to the hiring process, specifically:

- A. Records documenting actions related to hiring new instructors in accordance with state and federal laws.
- B. Records documenting that an instructor has passed a background check, if required.
- C. Records documenting that an instructor is making progress toward or has met minimum hiring standards specified in the Iowa Code.

## Definition of Terms

- Full-time Instructor/Faculty: An instructor or faculty member shall be considered to be full-time if the Iowa Central Community College board of directors designates the instructor as full-time. Consideration of determining this full-time status is based on local board-approved contracts.
- Individual Full-Time Professional Development Plan: An instructor's individual professional development plan is one that meets goals set by the individual instructor and the department chair and is submitted to the vice president of instruction. Documentation of progress and completion of this plan is kept by Personnel Services.
- Instructor Meeting Minimum Requirements: An Iowa Central Community College full-time instructor meeting the minimum requirements of the Iowa Code, subsection 260C.48, paragraph 1, is a full-time instructor who is teaching college credit courses. Credit courses should meet requirements as specified in rule 281—21.2 of the Iowa Code, and meet program requirements for college parallel, career and technical education, and career-option programs as specified in rule 281—21.4 and Iowa Code chapter 260C.
- Minimum of Twelve (12) Graduate Credit Hours: Full-time Arts and Science instructors must possess a masters degree and complete a minimum of twelve (12) graduate credit hours in their field of instruction. The twelve (12) graduate credit hours may be within the masters degree requirements or independent of the masters degree.
- Relevant Work Experience: An hour of recent and relevant work experience shall be equal to sixty (60) minutes. Iowa Central Community College determines what constitutes recent and relevant work experience that relates to the instructor's occupational and teaching area. The College maintains documentation of instructors' educational and work experiences.
- Field of Instruction: The determination of what constitutes each field of instruction shall be based on accepted practices of regionally accredited two- and four-year institutions of higher education.
