SYNOPSIS:			
1	General Statement		
1	<p>General Statement: The Board revises its Policy adopted on August 10, 1999, to incorporate the motion made and unanimously adopted by the Board at its regular session on February 11, 1969 "that the Iowa Central Community College Foundation be approved and formed and that the articles of incorporation and bylaws of said Foundation be approved and the necessary action be taken to complete said formation." On March 11, 1969, Articles of Incorporation of Iowa Central Community College Foundation were signed with its initial members being members of the Board. Thus, the Board formally and directly created the Iowa Central Community College Foundation. The Board recognizes the existence of the Iowa Central Community College Foundation which, by the nature of its origin and function, has an official relationship with the Board and reserves the right to review such organization and to ratify its membership. It shall be the policy of the Board to maintain liaison with the organization, to exchange communication, and to take supporting action as necessary and appropriate.</p> <p>The Board reserves the right to formally designate and authorize the creation of other multimember bodies to assist in the development and growth of the College and/or to provide a vehicle for social fellowship and community good will and to review such organizations and to ratify membership.</p>
