1	<p>Selection of Architects: Architects shall be selected by the Board with the counsel of the President or designee.</p> <p>Architects shall be interviewed by the President and all other personnel designated by the President. The recommendation of the President shall be presented to the Board for their consideration and official approval as the architect for the specific project under consideration.</p>		
2	<p>Facilities Surveys: It shall be the policy of the Board upon the recommendation of the President to contract for the services of consultants and other resource personnel for the study of particular concerns of the College. The needs for such special studies shall be anticipated well in advance so that budgetary provisions can be made.</p>		
3	<p>Financing Sites and Construction with Bonds: The Board may authorize an election to incur indebtedness and issue bonds for the purpose of financing the purchase of college sites, buildings and/or equipment.</p>		
4	<p>Use of Plant Fund: It shall be the policy of the Board to use funds from the voted 20 1/4 cents tax levy for purchase of grounds, construction of buildings, payment of debts contracted for construction of buildings, purchase of buildings and equipment for buildings, and the acquisition of libraries, for the purpose of paying costs of utilities, and for the purpose of maintaining, remodeling, improving or expanding the College.</p>		
5	<p>Loan Against Plant Fund: The Board may borrow funds for the construction of buildings using anticipated voted tax revenues as security.</p>
