Under the Act, by September 1 of each year, the College will distribute to current and prospective students and employees an annual security report in the student handbook which includes:</p> <ul style="list-style-type: none"> a. Statistics concerning the occurrence on campus of certain criminal offenses reported to campus officials; and b. Statements about campus law enforcement policies, campus security education and prevention programs, alcohol and drug policies, sexual assault education and prevention programs, procedures for reporting sexual assaults, and procedures for handling reports of sexual assault. <p>The College will provide a timely warning to the campus community about crimes that are considered to represent a continuing threat to students and employees. This warning must be done in a manner that will aid in the prevention of similar crimes. The College is committed to reviewing these statistics annually and taking the necessary steps to develop and implement additional safety practices or procedures needed to ensure an optimum safe environment for its students and employees.</p> <p>Any individual who has witnessed or been a victim of criminal activity is responsible for reporting such activity, or potential thereof, to the Vice President of Enrollment Management and Student Development. Forms for such reporting are available in each campus office.</p>		
4	<p>Emergency Procedures: The President or designee is directed to adopt necessary procedures to deal with emergency conditions including health, fire, weather, and disorder. These procedures shall comply with current regulations which are applicable, and necessary steps shall be taken to inform students, employees, and visitors about the procedures.</p>
