1 Scope of Investment Policy: The Investment Policy of the College shall apply to all operating funds, bond proceeds and other funds and all investment transactions involving operating funds, bond proceeds and other funds accounted for in the financial statements of the College. Each investment made pursuant to this Investment Policy must be authorized by applicable law and this written Investment Policy.

The investment of bond funds or sinking funds shall comply not only with this investment policy, but also be consistent with any applicable bond resolution.

This Investment Policy is intended to comply with Iowa Code Chapter 12B and 12C, as may be amended from time to time.

Upon passage and upon future amendment, if any, copies of this Investment Policy shall be delivered to all of the following:

a. All depository institutions or fiduciaries for public funds of the College.

b. The auditor engaged to audit any fund of the College.

c. The governing body or officer of the College to which the Investment Policy applies.

In addition, a copy of this Investment Policy shall be delivered to every fiduciary or third party assisting with or facilitating investment of the funds of the College.

2 Delegation of Authority: In accordance with Section 12B.10 and 12C.9, the responsibility for conducting investment transactions resides with the Treasurer or designee. Only the Treasurer or designee authorized by resolution may invest public funds and a copy of any empowering resolution shall be attached to this Investment Policy.

All contracts or agreements with outside persons investing public funds, advising on the investment of public funds, directing the deposit or investment of public funds or acting in a fiduciary capacity for the College shall require the outside person to notify in writing the College within thirty days of receipt of all any communication from the Auditor of the outside person or any regulatory authority of the existence of a material weakness in the internal control structure of the outside person or regulatory orders or sanctions regarding the type of services being provided to the College by the outside person.

The records of investment transactions made by or on behalf of the College are public records and are the property of the College whether in the custody of the Treasurer or designee or in the custody of a fiduciary or other third party.
The Treasurer or designee shall establish a system of internal controls and investment practices. The controls shall be designed to prevent losses of public funds, to document those officers and employees of the College responsible for elements of the investment process and to address the capability of investment management. The controls shall provide for receipt and review of the audited financial statement and related report on internal control structure of all outside persons performing any of the following for this public body:

a. Investing public funds.

b. Advising on the investment of public funds.

c. Directing the deposit or investment of public funds.

d. Acting in a fiduciary capacity for this public body.

A Bank, or Credit Union providing only depository services shall not be required to provide an audited financial statement and related report on internal control structure.

The College will carry fidelity insurance, including faithful performance, in an amount not less than $500,000, covering all employees authorized to place investments.

### Objectives of Investment Policy

The primary objectives, in order of priority, of all investment activities involving the financial assets of the College shall be the following:

a. Safety: Safety and preservation of principal in the overall portfolio is the foremost investment objective.

b. Liquidity: Maintaining the necessary liquidity to match expected liabilities is the second investment objective.

c. Return: Obtaining a reasonable return is the third investment objective.

### Prudence

The Treasurer or designee, when investing or depositing public funds, shall exercise the care, skill, prudence and diligence under the circumstances then prevailing that a person acting in a like capacity and familiar with such matters would use to attain the Section 3 investment objectives. This standard requires that when making investment decisions, the Treasurer or designee shall consider the role that the investment or deposit plays within the portfolio of assets of the College and the investment objectives stated in Section 3.

### Instruments Eligible for Investment

Assets of the College may be invested only in the following:

a. Interest bearing savings accounts, interest bearing money market accounts, and interest bearing checking accounts at any bank or credit union in the State of Iowa. Each financial institution shall be properly declared as a depository by the governing body of the College. Deposits in any financial institution shall not exceed the maximum balance approved by the governing body of the College.

b. Obligations of the United States government, its agencies and instrumentalities.

c. Certificates of deposit and other evidence of deposit at federally insured depository institutions approved and secured pursuant to Iowa Code Chapter 12C.

d. Repurchase agreements, provided the underlying collateral consists of obligations of the United States government, its agencies and instrumentalities; and the College takes delivery of the collateral either directly or through an authorized custodian.

e. Insured deposits or certificates of deposits invested pursuant to Iowa Code Section 12B.10(7), in
an amount above any insured portion of the public funds on deposit at a federally insured Iowa depository institution approved and secured pursuant to Iowa Code Chapter 12C.

f. Joint Investment Trust organized under Chapter 28E that are:
   i. Registered with the SEC and operated in accordance with Rule 2a-7; or
   ii. Rated within the 2 highest classifications by at least one of the standard rating services approved by the Superintendent of Banking and either:
       1. Operated in accordance with SEC Rule 2a-7; or
       2. Operated in accordance with the requirements of the governmental accounting standards board for external investment pools, specifically the Iowa Schools Joint Investment Trust (JSJIT).

All instruments eligible for investment are further qualified by all other provisions of this Investment Policy, including Section 6 investment maturity limitations and Section 7 diversification requirements.

6 Investing Maturity Limitations: Operating Funds must be identified and distinguished from all other funds available for investment. Operating Funds are defined as those funds which are reasonably expected to be expended during a current budget year or within fifteen months of receipt.

All investments authorized in Section 5 are further subject to the following investment maturity limitations:

- Operating Funds may only be invested in instruments authorized in Section 5 of this Investment Policy that mature within three hundred ninety-seven (397) days.
- The Treasurer or designee may invest funds of the College that are not identified as Operating Funds in investments with maturities longer than three hundred ninety-seven days (397) days. However, all College investments shall have maturities that are consistent with the needs and uses of the College. If the College has or expects to accrue in the current budget year an amount of public funds that exceeds Operating Funds by at least thirty-three percent may invest amounts exceeding thirty-three percent of Operating Funds in certificates of deposit at federally insured depository institutions approved pursuant to chapter 12C which mature within sixty-three months or less provided that the College invests an amount reasonably expected to be expended during the current budget year or within fifteen months of receipt in investments authorized in Section 5 of this Investment Policy that mature within three hundred ninety-seven (397) days.

7 Diversification: It is the policy of the College to diversify its investment portfolio. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of securities. In establishing specific diversification strategies, the following general policies and constraints shall apply:

a. Portfolio maturities shall be staggered in a way that avoids undue concentration of assets in a specific maturity sector. Maturities shall be selected which provide stability of income and reasonable liquidity.

b. Liquidity practices to ensure that the next disbursement date and payroll date are covered through maturing investments, marketable U. S. Treasury bills or cash on hand shall be used at all times.

8 Safekeeping and Custody: All invested assets of the College involving the use of a public fund custodial agreement, as defined in Chapter 12B, shall comply with all rules adopted pursuant to Chapter 12B.10C. All custodial agreements shall be in writing and shall contain a provision that all custodial services be provided in accordance with the laws of the state of Iowa.

All invested assets of the College eligible for physical delivery shall be secured by having them held at a third party custodian. All purchased investments shall be held pursuant to a written third party
