

CHAPTER:	Class Attendance	DATE ADOPTED	NUMBER
STUDENTS		August 10, 1999	402
SYNOPSIS:			
1	Class Attendance		
1	Class Attendance: Students are expected to participate actively in all classes through regular attendance. Because attendance has an effect on college success, participating may be considered in determining course grades. Students will not lose credit for classes missed due to college-sponsored activities provided they satisfactorily complete make-up assignments within a reasonable time.
