Requital of Grades			
SYNOPSIS:			
1	Definition		
2	Eligibility Guidelines		
3	Results		
1	Definition: Requital of Grades is the process of ignoring a student's prior grades when calculating the credits earned, the quality points, etc. and the grade point average. This new calculation is used for the purposes of graduation and other honor considerations.		
2	<p>Eligibility Guidelines:</p> <ul style="list-style-type: none"> a. Students must not have attended any institution of higher education during the previous two years. b. Submit formal application for requital to the Director of Student Records prior to completing 12 credit hours (excluding developmental credits). Students may pick up application in Student Records Office. c. Students must earn a minimum GPA of 2.00 for 12 credit hours before grade requital will be indicated on the transcript. d. The requital of grades may be granted only once at Iowa Central Community College and a person's entire transcript will be requited. 		
3	<p>Results:</p> <ul style="list-style-type: none"> a. If approved, the notation appears on the transcript and the calculation of the GPA and credit hours earned begin from the semester of requital and is inclusive of the aforementioned 12 credit hours. b. For financial aid purposes, the entire transcript, including required grades, will be considered.
