Requital of Grades

Requital of grades is a means that allows a student at Iowa Central Community College not to be burdened by his/her past academic record. The student must not have matriculated in an institution of higher education for at least two consecutive years. The requital of grades may be granted only once, and a person's entire transcript would be requited.

The student must make a formal application to the Registrar prior to completing 12 credit hours (excluding developmental credit hours). The application should include the reason(s) for the request and outline future academic plans. If granted, the original transcript will be kept for internal purposes, and the calculation of a grade point average and hours earned would begin with the requital date. The returning student must complete at least 12 credit hours with a minimum grade point average of 2.0 at Iowa Central Community College prior to the permanent requital of the existing transcript.

Release of Information

In order for Iowa Central to release any information to anyone other than the student (parents, guardians, military, etc.) the student must complete and sign a Release of Information form. This form can be filled out at Student Records or online at www.iowacentral.edu through the Triton Pass. Releases are valid for one academic year only, so a new release must be filled out each college year (ex. 2012-2013).

Drop/Add Procedure

Fifteen week courses may be added only during the first five days of classes. To drop a course, students should log-in to WebAdvisor and click on “Drop/Withdraw from Class” to complete the online drop form. Students choosing not to drop the class using the online drop procedure must pick up a Change of Enrollment form in the Student Records Office, obtain the instructor's signature, and return the form to the Student Records Office for processing. Not attending a class does not constitute a withdrawal.

Transcripts

To have a transcript sent, a student must fill out the online transcript request on the Iowa Central homepage, www.iowacentral.edu. The Student Records Office does not take transcript requests by phone. When requesting a “Final” transcript to be sent out (which includes grades from the present term), a student’s account balance must be paid in full before the transcript is released.

Graduation

Iowa Central has one graduation ceremony, in May, for the entire year’s graduates. Students, in consultation with their advisor, should monitor their progress toward graduation each semester. Students who have transfer credit should verify that the credit is on the transcript.

Students who intend to graduate in a particular semester are to complete a graduation declaration card. These are available from advisors or Student Records and should be submitted to the Student Records Office at the Fort Dodge, Storm Lake, or Webster City centers. There is a $25.00 fee per degree/diploma. Every graduate pays the graduation fee(s). The declaration card and the graduation fee(s) are valid for one year.

Classes Begin August 26, 2014
Student Handbook & Student ID’s

1. Students living on campus will receive their Student ID’s and Student handbook at the time of move in.
2. Students not living on campus should stop by the Help Desk in the Student Support Services building for a Student Photo ID. ID’s are no longer available in the Student Records Office.

Technology Services

TritonPass
TritonPass is the system that allows students to access all Internet resources such as email, WebAdvisor, and iNET in one location and eliminates the hassle of logging in multiple times to access different services. Some items that may be found on TritonPass are: class cancellations, announcements, campus happenings, athletic events, menu calendar, and Collegian headlines. TritonPass may be found on the Iowa Central homepage at http://www.iowacentral.edu.

WebAdvisor
Through WebAdvisor, students are able to access grades, view transcripts, class schedules, and financial information about their accounts, including Financial Aid. WebAdvisor is accessed through TritonPass on Iowa Central’s homepage.

Email
Email accounts are available to all students enrolled in at least one credit class at Iowa Central. Student email accounts will be automatically created upon enrollment. Student email accounts will be automatically deleted after three months when the student is no longer enrolled in at least one credit hour course. To prevent your email account from being deleted, be sure to pre-register for the next appropriate term. Email access may be revoked if the technology use policy is violated. Email is accessed through TritonPass on Iowa Central's homepage.

ResidentNet
ResidentNet is the student residence halls network for on campus living (not including the towers dormitory). If students would like to apply for a network connection, or are having phone, cable TV, or network connectivity related issues, they may visit or contact the help desk office.

Help Desk
Iowa Central’s help desk is a centralized location for support with physical facilities, media, information services and technology related phone calls or walk in assistance. The help desk is located in the Student Support Services Building in Room 109 and can be reached by phone at (515) 574-1111 or extension 1111. The help desk will be staffed Monday thru Thursday from 7:30am until 8:00pm, and Fridays from 7:30am until 4:30pm. You may also contact the help desk anytime by via email at help@iowacentral.edu.

Apartment Living at Iowa Central

Fully furnished apartment living is provided for students who live on campus with amenities including a kitchen with a range and refrigerator, living room, bathroom, and two bedrooms all in the midst of campus life. Fifteen buildings have been completed on the Iowa Central Community College campus. Fourteen of the buildings accommodate 60 students, five students per apartment while the newest building accommodates 90 students. These units offer all the luxuries of an apartment with the convenience of living right on campus.

The college units are spacious and well built, with a level of quality not typically found in many apartment developments. What’s more, these rates include a local phone, cable (no utility deposits to be concerned about) and Internet, plus 19 meals a week and a membership to the Iowa Central Fitness Center.

For more information, please contact Resident Life at (515) 574-1086 or extension 1086.

Distance Education

Online Courses (OL)
Online courses are taught via the Internet using iNET (located in TritonPass). Each course begins and ends with the semester dates. Assignments and discussion postings are required for each week of the course. Students may ONLY enroll in Online courses during registration, and during the Add/Drop period.

Look for the course catalog printed comment: *Synchronous Internet

FlexNet Courses (FN)
FlexNet courses are taught via the Internet using iNET (located in TritonPass). New for 2011-2012, students will need to complete ALL course work for FlexNet courses by the last day of the term, regardless of the student’s start date. FlexNet courses do not have weekly deadlines, but it is highly recommended to stay on task. Students will be allowed to enroll into a FlexNet course at any time during the term, except within the last three weeks of the term. Full payment, including minimum balance, must be made in order to begin a FlexNet course. If payment is not received within one week, or by the last day to add a FlexNet course for that term, students may be dropped from their course.

Look for the course catalog printed comment: *Asynchronous Internet

Virtual Hybrid (H)
Virtual Hybrid courses are taught using both face-to-face instruction and the Internet. Classes meet face-to-face for a portion of the week while the remaining time will consist of projects and activities outside of class time; for example watching pre-recorded lectures, writing papers, participation in discussion forums via iNET, etc.
