Introduction

Iowa Central and the Fort Dodge community are comparatively safe environments. However, the potential always exists for crime and accidents. Proactive measures can minimize crime and enhance the security and safety for the entire college community — students, faculty, staff, alumni, and visitors. Safety and crime prevention require support and cooperation from the entire college community. All must take responsibility for the safety and security of themselves, others, and their belongings. There is a real potential for loss or theft of belongings that are not appropriately safeguarded. Anyone who observes suspicious activity is encouraged to contact Campus Security immediately. Anyone who has knowledge of present, future, or recent criminal activity must report what they know to Campus Security or local law enforcement.

The purpose of this publication is to:

• Provide the Iowa Central community with an overview of its Campus Security services.
• Share crime statistics required by the Jeanne Clery Disclosure of Campus Security and Campus Policy and Campus Crime Statistics Act (34 CFR Parts 600 & 668)
• Inform current and prospective students, staff, faculty, and visitors about the college’s policies and programs to keep them safe.
• Share information regarding emergency preparedness and planning.
• Share information regarding fire safety, fire statistics, and other fire-related information.

Iowa Central assumes no responsibility for the theft, damages, or loss of money, valuables, or personal property. We strongly recommend students check with their family concerning the extent of coverage under their homeowners/renters insurance and purchase the appropriate coverage.

Iowa Central is a public institution. Campus Security works with the college’s physical plant staff and residential life staff to establish appropriate levels of security.
**Statements of Policies and Procedures**

**Timely Warnings**

In the event a situation arises, either on or off campus, that in the judgment of the College Administration, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. There are two types of warnings, Triton Alert and crime and security alerts.

1. **Triton Alert**: Iowa Central maintains a campus wide mass communications system that warns students, faculty, and staff of an emergency situation by text messaging, and e-mail. All currently enrolled students and active employees are highly encouraged to register for this Alert system. Students, faculty, and staff may enroll by logging into Triton Pass and submitting the appropriate information. The Triton Alert system is tested yearly.

2. **Crime and Security Alerts**: Administration issues written crime and security alerts when the community may be at risk during both short- and long-term time periods. Crime Alerts are notices regarding specific crimes occurring on or near campus. Security Alerts are advisories reminding the campus community of crime-conducive trends, not necessarily in response to a specific crime. Alerts are announced by sending a campus wide email with all pertinent information.
Disclosure of Crime Statistics

Campus Security prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act) (20 USC § 1092). The definitions for these crimes are taken from the FBI's Uniform Crime Reporting Program (UCR), as modified by the Hate Crimes Act, and the Higher Education Act.

- **Manslaughter by Negligence** – the killing of another person through gross negligence.

- **Sex Offenses:**
  a. A forcible sex offense is any sexual act directed against another person forcibly and/or against that person's will or where the victim is incapable of giving consent.
  b. Non-forcible sex offenses are acts of "unlawful, non-forcible sexual intercourse," and include incest and statutory rape.

- **Aggravated Assault** – An unlawful attack for the purpose of inflicting severe or aggravated bodily injury. Offense usually accompanied by a weapon or by means likely to produce great bodily harm.
- **Burglary** – Unlawful entry into a building with intent to commit a felony or theft. Forced entry not required if entry was unlawful, such as a trespass.
- **Robbery** – Taking or attempting to take anything of value from a person by force or threat of force.
- **Motor Vehicle Theft** – The theft or attempted theft of a motor vehicle.
- **Arson** – Any willful burning or attempt to burn the property of another.

- **Weapons Violations** – Violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.

- **Hate Crimes** – Crime categories of criminal homicide, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, intimidation, vandalism (including destruction and/or damage to property), simple assault, and any other crime involving bodily injury are hate crimes if evidence is discovered that the victim was intentionally targeted because of the perpetrator's bias. Bias categories are race, gender, gender identification, sexual orientation, disability, religion, or national origin (ethnicity).

Campus crime, arrest, and referral statistics include those reported to Iowa Central Campus Security, designated campus officials and law enforcement agencies. Each year, an e-mail notification is made to the campus community that provides the website to access this report. Paper copies are available in the VP-Enrollment Management and Student Development office or by calling 574-1049 to request a copy be mailed. Prospective employees may obtain a copy through either the Human Resources office or directly from VP-Enrollment Management and Student Development Office.

Starting in 2013 Iowa Central will be compiling statistics on domestic violence, dating violence, and stalking in compliance with new federal guidelines relating to the Violence Against Women Reauthorization Act of 2013.
To Report A Crime

To report a crime or suspicious activity, Contact Campus Security at 574-1000 or from a campus phone, Ext. 1000.

Fort Dodge Police – 515-573-2323 or 911 (from a campus phone, dial 9-911). You will reach the dispatchers that cover all emergency calls in Webster County.

In addition, you may report a crime to the following:

Director of Residence Life- 574-1086  
VP of EMSD- 574-1049  
Other campus officials you may report a crime to include: deans, resident assistants (RAs), advisers and athletic coaches.

Confidential Reporting Procedures – If you are the victim of a crime and do not want to pursue action within the college or the criminal justice system, you still may want to consider making a confidential report. With your permission, the VP-Enrollment Management and Student Development can file a report on the details of the incident without revealing your identity. The purpose of the confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, Campus Security can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the college.

Counselors – As a result of the negotiated rulemaking process which followed the signing into law, the 1998 amendments to 20 USC § 1092 (f), clarification was given to those considered to be campus security authorities. Campus “pastoral counselors” and campus “professional counselors,” when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.
Campus Security Authority and Jurisdiction

The office responsible for security is Iowa Central Campus Security. Campus Security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at Iowa Central. Iowa Central Campus Security has the authority to enforce parking regulations. They also may authorize the towing, at the expense of the vehicle’s owner, of a vehicle in violation, or the placement of an immobilizer (wheel boot) on a vehicle in violation of the parking regulations. Campus Security officers are not certified peace officers. Criminal incidents may be referred to the Fort Dodge Police Department, which has jurisdiction on the campus. Campus Security maintains a highly professional working relationship with the Fort Dodge Police Department and Webster County Sheriff’s Department. All victims and witnesses are strongly encouraged to report immediately the crime to Campus Security and/or the appropriate police agency.

The Campus Security office is located in the Student Support Services building. The organization includes a supervisor, three full-time and four part-time security officers. The supervisor reports to the Vice President of Enrollment Management and Student Development for security, parking, and safety-related matters. Security officers are not armed. Security officers wear a distinctive security uniform unless assigned to special assignments. They provide basic security services to the college community and are accessible by calling 1000 (on campus) or 574-1000 (non-campus phone) regardless of their location on campus. Security officers receive training (examples include first aid and CPR) specifically designed to prepare them for their duties.

(NOTE: If there is clear and convincing evidence that the release of such information would jeopardize an ongoing investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence, such information may be withheld until at such time damage is no longer likely. As a matter of policy, names are not included in the log.

Security Awareness Programs

During the Student Orientation programs a security orientation briefing is presented to all new students and their parents/guardians. Presented is a summary of the college’s emergency action plan, Triton Alert, general crime posture on campus, crime prevention tips, and how to report crimes. Periodically during the year, crime prevention and safety related information is presented through various student and campus media forums. During an emergency or when time is critical, information is released to the college community through security or crime alerts, or through Triton Alert.

Crime Prevention Programs

In addition to the orientation briefings and information contained in this report and in the Student Handbook, Iowa Central can arrange for specific crime prevention classes that can be tailored to a group’s needs.

Personal Security Recommendations

• Do not walk alone at night. Use lighted sidewalks.

• Walk close to the curb and away from bushes and alleys.

• If you must walk alone, inform someone at your destination when to expect you so he or she would be waiting.

• Request a Campus Security escort during the hours of darkness if you are alone.

• If you are attacked, SCREAM!!! Do anything to bring public attention to your situation.

• Keep items of value out of sight.

• Safeguard any documents that include personal information that others could use to commit identity theft.

• Lock your room door when you are asleep or when the room is not occupied. Most crimes that occur on a residential campus are crimes of opportunity and happen when a door is left open or unlocked, even for a short period.

• Promptly report suspicious behavior.

• NEVER prop open residence exterior doors.

• Do not loan your room key or ID card to others.

• Do not share residence hall combinations with those who do not live in that building.

• Inform your roommate or friends where you are if you plan to remain away from your room overnight.

• Mark items of value with an identifying number or symbol. Record serial numbers. Photograph valuable items and keep all for record. Never use your social security number as an identifying number.
Alcohol and Drug Prevention

At Iowa Central, we are committed to promoting an awareness that drug and alcohol abuse is a health issue of concern to our College, students and community. We are interested in providing information to the staff and students to promote prevention of substance abuse. We are concerned about providing support mechanisms to address the immediate problem of individuals who are abusing substances and to obtain the professional intervention needed to assist them.

Resources for Substance Prevention and Referral

Iowa Central Community College recognizes drug abuse as a potential health, safety and security problem. Students needing help in dealing with such problems are encouraged to seek assistance from our College Nurse, Room 119 of the AST Building, 515-574-1047. Also available are substance abuse resources including:

Community and Family Resources  515-576-7261

Alcoholic beverages are not permitted on campus nor at any on- or off-campus activity subsidized by the College. This includes off-campus athletic contests. In addition, Iowa Central Community College enforces all state underage drinking laws and laws prohibiting the possession and sale of controlled substances.

State and Local Laws — Alcohol

A new Iowa drinking and driving law took effect July 1, 1995. Anyone younger than 21 who is caught driving with a blood alcohol content of .02 or more will lose their drivers license or permit for up to 60 days. Temporary driving permits for school, work, or any reason, will not be allowed during the suspension period. Realize that .02 is a very small amount—as little as one beer or drink.

It is unlawful for any person to manufacture, deliver or possess with intent, any controlled substance, and a person who violates this section can be fined up to $10,000 and/or be imprisoned up to 10 years.

Harassment/Violence

As an educational institution, Iowa Central Community College strives to provide a respectful, safe, and non-threatening environment for students and employees. The mission of the College is to promote intellectual discovery, physical development, social and ethical awareness, and economic opportunities for all through an education that transforms lives, strengthens community, and inspires progress. Harassment and violence against students, faculty, and staff subverts this mission and will not be tolerated. This policy describes prohibited conduct, establishes procedures for reporting and addressing complainants of incidents of prohibited conduct, and describes educational programs to be conducted by the College to heighten awareness of prohibited conduct described below.

It is the policy of Iowa Central Community College to maintain a learning and working environment that is free from harassment or violence based on race, color, religion, creed, sex, sexual orientation, gender identity, sex stereotyping, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law. The College prohibits any form of harassment or violence against an employee or student based on race, color, religion, creed, sex, sexual orientation, gender identity, sex stereotyping, marital status, socioeconomic status, military service, national origin, age, disability, and/or any other status protected by federal, state, or local law. This covers prohibited conduct occurring both on-campus/center and off-campus:

a. On-campus/center violations: prohibited conduct that occurs on property owned or controlled by the College;

b. Off-campus violations: prohibited conduct that occurs during College sponsored events or during a College affiliated organization's sponsored event (e.g., field trips, social and educational functions, College related travel, athletic related events and travel, and student recruitment activities and travel); and

c. At any location, including through electronic media such as e-mail or social networking websites, and involving any College faculty, staff, or student, provided that:

(1) The incident occurs at a College-sponsored activity or during an event sponsored by an
organization affiliated with the College, including
a student organization;
(2) The accused or the complainant was acting
in an official capacity for the College during the incident,
(3) The accused or the complainant was
conducting College business during the incident;
(4) The conduct has the purpose or reasonably
foreseeable effect of substantially interfering
with the work or educational performance of
College students, faculty, or staff;
(5) The conduct creates an intimidating or
hostile environment for anyone who is involved
in or seeks to participate in College employment,
education, on-campus living, or other College-
ponsored activities; or
(6) The conduct demonstrates that the individual
poses a reasonable threat to College
campus/center safety and security.

Definitions

Harassment is conduct or speech which is
offensive or shows malice toward an individual
based on sex stereotyping and/or because of a
person’s race, color, religion, creed, sex, sexual
orientation, gender identity, marital status,
socioeconomic status, military service, national
origin, age, disability, and/or any other status
protected by federal, state, or local law.
Violence as it relates to the content of oral,
written, or symbolic speech falls within
prohibited activity if:
a. The content consists of those personally
abusive epithets which are inherently likely to
provok a violent reaction,
b. The content is a serious expression of an
intent to commit an act of unlawful violence to a
particular individual or group of individuals, or
c. The content is a threat to a person or group of
persons with the intent of placing the victim in
fear of bodily harm or death.

Conduct that constitutes a protected exercise of
an individual's rights under the First Amendment
to the United States Constitution (and related
principles of academic freedom) shall not be
deemed a violation of this policy.

Harassment as it relates to conduct is intentional
conduct directed toward an identifiable person or
persons based on sex stereotyping and/or
because of the person's race, color, religion,
creed, sex, sexual orientation, gender identity,
marital status, socioeconomic status, military
service, national origin, age, disability, and/or
any other status protected by federal, state, or
local law that is sufficiently severe, pervasive, or
persistent that it interferes with work,
educational performance, on-campus living, or
participation in a College activity on or off

Sexual Harassment

Sexual harassment is a form of sexual
discrimination that violates Title VII of the Civil
Rights Act of 1964 and/or Title IX of the
Education Amendments of 1972. Unwelcome
sexual advances, requests for sexual favors,
and other verbal or physical conduct of a sexual
nature constitute sexual harassment when:

a. Submission to that conduct or communication
is made a term or condition, either explicitly or
implicitly, of obtaining or retaining employment
or of obtaining the College's program (academic
course) and/or other College sponsored
activities;
b. Submission to or rejection of that conduct or
communication by an individual is a factor in
decisions affecting that individual’s employment
or education; or
c. That conduct or communication has the
purpose or effect of substantially or
unreasonably interfering with an individual's
employment or a student's ability to participate in
or benefit from a College program (academic
course) or activity sponsored by the College or
creating an intimidating, hostile, or offensive
employment environment or educational or on-
campus living environment.

Sexual harassment subverts the mission of the
College and threatens the careers, educational
experience, and well-being of students, faculty,
and staff. The College will not tolerate sexual
harassment, nor will it tolerate unwelcomed
behavior of a sexual nature toward members of
the College community when that behavior
creates an intimidating or hostile environment for
employment, education, on-campus living, or
participation in a College sponsored activity.
Sexual harassment is especially serious when
an instructor harasses a student or a supervisor
harasses a subordinate. In such situations,
sexual harassment unfairly exploits the power
inherent in an instructor's or supervisor's
position. However, while sexual harassment
often takes place in situations where there is an
abuse of a power differential between the
persons involved, the College recognizes that sexual harassment is not limited to such situations. Sexual harassment can occur when a student harasses an instructor, when a subordinate harasses a supervisor, or between persons of the same status as students or employees.

Sexual harassment may also include, but is not limited to, conduct described below:

**Gender Harassment** is generalized sexist statements and behavior that convey insulting or degrading attitudes including acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping or a person's failure to conform to stereotypical notions of masculinity or femininity even if those acts do not involve conduct of a sexual nature. Examples include suggestive or sexually explicit posters, calendars, photographs, graffiti, cartoons, e-mail, voicemail, and social media including but not limited to Facebook and twitter; and sexually explicit jokes or humor focused toward a particular gender.

**Seductive Behavior** is unwanted, inappropriate and offensive sexual advances. Examples include repeated unwanted sexual invitations, insistent requests for dinner, drinks or dates, persistent letters, phone calls and other invitations.

**Sexual Bribery** is solicitation of sexual activity or other sex-linked behavior by promising a reward (a better grade, promotion, etc.) for performing the activity or behavior. The proposition may be either overt or subtle.

**Sexual Coercion** is sexual activity or other sex-linked behavior by threat of punishment. Examples include negative performance evaluations, withholding promotions, threats of termination, or threats of a failing or lower grade.

**Sexual Imposition** includes deliberate assaults or molestation, or unwanted physical contact such as patting, pinching, "friendly" arms around the shoulder or intentionally brushing against another person's body. This includes any intentional sexual touching, however slight, with any object, by a man or a woman upon a man or a woman, that is without consent and/or by force such as intentional contact with the breasts, buttock, groin, or genitals, or touching another person with any of these body parts, or making another touch you or themselves with or on any of these body parts; and any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

**Other** conduct or behavior of a sexual nature deemed inappropriate by a College employee and/or student.

**Evidence of Sexual Harassment**

Behavior that may constitute, or be evidence of, prohibited sexual harassment includes, but is not limited to, the following:

a. Physical assault;

b. Direct or implied threats that submission to sexual advances will be a condition of, or that failure to submit to such advances will adversely affect, employment, work status, promotion, grades, letters of recommendation, or participation in a College sponsored activity;

c. Direct propositions of a sexual nature or persistent unwelcomed efforts to pursue a romantic or sexual relationship, including subtle pressure for sexual activity, an element of which may be repeated staring;

d. A pattern of unwelcomed sexually explicit gestures, statements, questions, jokes, or anecdotes, whether made physically, orally, in writing, or through electronic media (see Board Policy Number 313 Technology and Board Policy Number 315 Social Media Policy);

e. A pattern of unwelcomed conduct involving:
   (1) Unnecessary touching;
   (2) Remarks of a sexual nature about a person's clothing or body;
   (3) Remarks relating to sexual activity or speculations concerning previous sexual experience; or
   (4) Stalking another person who reasonably perceives the stalker is pursuing a romantic and/or sexual relationship, and stalking of a sexual nature that is directed at a specific person that would cause a reasonable person to feel fear; or

f. A display of graphic sexual material (not legitimately related to the subject matter of an academic course, if one is involved, or to job requirements) in a context where others are not
free to avoid the display because of an employment or educational requirement or without surrendering a privilege or opportunity that others may reasonably expect to enjoy in that location.

In determining whether alleged conduct constitutes sexual harassment, the College will consider all available information and will review the totality of the evidence, including the context in which the alleged incident(s) occurred, to determine whether it is more probably true than not that the harassment in violation of this policy occurred. Although repeated incidents generally create a stronger claim of sexual harassment, a single serious incident can be sufficient. Determinations will be made on a case-by-case basis. Expression that constitutes a protected exercise of an individual’s free speech rights under the First and Fourteenth Amendments to the United States Constitution shall not be deemed a violation of this policy. Isolated behavior of the kind described above that does not rise to the level of sexual harassment but that, if repeated, could rise to that level, demonstrates insensitivity that may warrant remedial measures. Academic or administrative personnel who become aware of such behavior in the College environment should counsel those who have engaged in the behavior. Such counsel should include a clear statement that the behavior is not acceptable and should cease, information about the potential consequences if such behavior persists, and a recommendation, as appropriate, to undertake an educational program designed to help the person(s) understand the harm caused by the behavior.

Courses of Action

a. Students who feel that they have been the subjects of such harassment should advise the Vice President of Enrollment Management and Student Development or the College's Director, Human Resources / Equal Employment Opportunity (EEO) Coordinator.

b. Staff members should advise one of the following: their immediate supervisor, the appropriate Vice President, or the College’s Director, Human Resources / EEO Coordinator.

c. When the College is informed or made aware of a possible harassment situation, an investigation will be conducted as described in the procedure for a Formal Complaint in this policy.

Sexual Violence

Sexual violence is prohibited and as specifically addressed in the Violence Against Women Reauthorization Act of 2013, Section 304, Campus Sexual Violence Act provisions amending Section 485(f) of the Higher Education Act of 1965 (the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act). Sexual violence refers to physical sexual acts perpetrated against a person's consent or where a person is incapable of giving consent due to the victim's use of drugs or alcohol or due to an intellectual or other disability. A number of different acts fall into the category of sexual violence, including rape, acquaintance rape, domestic violence, dating violence, sexual assault, stalking, and acts as defined below, as well as aiding acts of sexual violence.

Definitions:
Consent: Clear, knowing and voluntary participation in sexual conduct by person of the age and intellectual capacity to give lawful consent, and may be given by words or actions, as long as words or actions create mutually understandable clear permission regarding willingness to engage in (and the conditions of) the sexual activity. Consent must be active, not passive. Silence, in and of itself, cannot be interpreted as consent. Lack of protest or resistance does not constitute consent. Consent to any one form of sexual activity cannot be automatically implied to be consent to any other form of sexual activity. Previous relationships or prior consent cannot imply consent to future sexual acts. Persons who want to engage in the sexual activity are responsible for obtaining consent and the clearly giving of consent. Consent should never be assumed.

Iowa Code provides that the following persons are unable to give consent: -Persons who are asleep or unconscious (Iowa Code Section 709.1A); -Persons who are incapacitated due to the influence of drugs, alcohol, or medication (Iowa Code Section 709.1A); -Persons who are unable to communicate consent due to a mental or physical condition (Iowa Code Section 709.1A); or
Generally, minors under the age of 16 (Iowa Code Section 709.4).

**Domestic Violence:** Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of Iowa.

**Dating Violence:** Violence committed by a person:
1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
2. Where the existence of such a relationship is determined based on a consideration of the following factors:
   a. The length of the relationship,
   b. The type of relationship,
   c. The frequency of interaction between the persons involved in the relationship; and
3. May occur any time even it first and only date.

**Non-Consensual Sexual Intercourse:** Any sexual intercourse however slight, with any object, by a man or woman upon a man or a woman, which is without consent and/or by force. Intercourse includes vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

**Sexual Assault:** Subjecting another person to sexual touching that is unwanted.

**Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
1. Fear for his or her safety or the safety of others; or
2. Suffer substantial emotional distress.

**Sexual Exploitation:** Occurs when a person takes non-consensual and abusive sexual advantage of another for his or her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise fall in one of other definitions sexual misconduct offenses, such as, but not limited to, non-consensual video or audio-taping of sexual activity, engaging in voyeurism, prostituting another person, engaging in indecent exposure, or knowingly transmitting a STI or HIV to another person.

**Substantial Threat:** reported conduct that by its nature causes a person to reasonably believe that a high risk exist that violent acts and physical harm against another person or persons may occur.

**Racial, religious, national origin, marital status, socioeconomic status, military service, age, and disability harassment:**

Physical or verbal conduct relating to an individual’s race, color, creed, religion, national origin, marital status, socioeconomic status, military service, age, and/or disability when the conduct:

a. Has the purpose or effect of creating an intimidating, hostile, or offensive working or academic environment; or
b. Has the purpose or effect of substantially or unreasonably interfering with an individual’s work or academic performance; or
c. Otherwise unlawfully and adversely effects an individual’s employment or ability to participate in or benefits from the College’s programs (academic courses) and/or College sponsored activities.

The use of alcohol and/or drugs will not excuse any behavior that violates this policy.

**Reporting Sexual Violence**

Iowa Central Community College strongly encourages all members of the College community to report incidents of sexual violence to any of the following resources:

a. In the event of an immediate threat, danger, or injury, the reporting person should contact the local authorities by dialing 911 and then contact Campus Security by dialing 515-574-1000;
b. Fire Safety Report

Iowa Central takes fire prevention and safety very seriously. Our physical plant ensures our buildings meet or exceed the state fire code. Iowa Central has never experienced a fire fatality and works to ensure there is never one. All residence halls have an audible alarm that sounds when smoke or fire is present. All fires must be reported to a College Official. The College will immediately respond and investigate the cause of the alarm. If it is determined there is a fire that cannot be extinguished call 9-911 to request response by the Fort Dodge Fire Department.

o Immediate Action in Event of Fire –

Upon hearing the fire alarm, exit the building by the safest exit possible and:

1. Keep low to the floor if smoke is present.
2. Cautiously feel doors before opening. If the door is hot, do not open, but take an alternate exit route.
3. Once outside, clear away from the building.
4. Remain outside until informed by Campus Security, hall director, or fire department that it is safe to return to the building.
5. If you can’t leave the room, seal up the cracks around the door using sheets, pieces of clothing, or whatever is handy. Open a window and hang an object outside to attract someone’s attention. Call 9-911 and report your location. Place a wet towel or cloth over your head and face. Breathe through the wet towel by taking short breaths through your nose. Cover your body with something that can be easily discarded if it catches fire.
6. Notify Campus Security or hall director if you are aware of anyone in the building that cannot escape.

o Fire Prevention and Public Education –

Education and proactive measures are the best tools for fire prevention.
1. Tampering with emergency equipment, such as fire extinguishers, fire alarms, smoke detectors or emergency exit signs, is prohibited by state law and college policy.
2. Scheduled, but unannounced, fire drills may be conducted. Participation is mandatory if present in the building during any drill.
3. Open burning, including candles, is not permitted on campus.
4. Space heaters, or kerosene heaters are not allowed in rooms due to possible fire potential.
5. Electrical fires can be prevented by using UL approved appliances, not overloading circuits, and not using multiple-head electrical plugs. The use of light extension cords should be kept to a minimum. Electrical cords can not run under rugs or carpets, between room furniture, or be hung from ceilings.
6. Only refrigerators and other cooking devices listed on the housing contract are allowed.
7. Smoking is prohibited throughout campus (Iowa Smoke Free Air Act).
9. All types of explosives, to include explosive ingredients with potential to create an explosive are prohibited on campus. Explosives include, but are not limited to, firecrackers and fireworks, gasoline, and any combustible material. Grills are not allowed inside residence halls. Compressed tanks that contain fuel for gas grills may not be stored on campus. Students found possessing or using any type of explosive will be subject to disciplinary action.
10. Our Safety Coordinator is available to conduct fire prevention classes and fire extinguisher familiarization training.
12. The College will maintain a current list of residents with disabilities that could hinder or prevent their evacuation.

o Fire detection and fire prevention systems by residence hall

Reported fires by building – During 2014 Iowa Central had one fire on campus or in other campus facilities.

Resident Buildings 1-15 have smoke and heat detectors, sprinklers, fire alarms, extinguishers, and evacuation plans.

The Towers Residence Halls have smoke detectors, fire alarms, extinguishers, and evacuation plans.
