Athletic Department Outcomes

It is our goal that our student-athletes will:

1. Enhance time management skills
2. Develop a better understanding of what making a true commitment to something means
3. Develop the attributes that will serve them in life as they learn how to become great teammates in the athletic arena

Student Learning Outcomes:

1. The student will learn the importance of sportsmanship and its importance to intercollegiate athletics.
2. The student will exhibit the traits of a “team-player” and its relationship to a winning and successful athletic program.
3. The student will learn the importance of weight training and physical conditioning and endurance and its importance during the course of the athletic season.
4. The Student will better understand the importance of nutrition and stretching, and their correlation to athletic injury prevention during the course of the season.

College Procedures: All college-wide procedures are located in the Iowa Central Community College Student Handbook.

Assessments: Coach will evaluate student-athlete throughout semester on work ethic, practice habits, active participation, timeliness, and other traits of a successful student athlete.

If student-athlete is dismissed from the athletic team for any reason outlined within the team’s code of conduct, student-athlete will automatically receive a failing grade for this course.

Please note that assessments are subject to change.
